Visitors – Andrew Macko, Alan Hauser, and June Shelhamer.

Rules for Comment – Robert Simonelli explained the rules for comment that anyone wishing to comment should stand, state their name and address, and to direct their comments to the Supervisors.

Purpose – Robert Simonelli explained the purpose of this hearing to receive public comment on Andrew Macko filing a Conditional Use Application for a side yard relief from 30ft to 23ft to build an accessory structure.

Correspondence –

Ralph Breiding the Zoning Officer suggested a condition should be added as it is a 40X60 Accessory Structure that there should be a way to ensure that water coming off the structure on the north side follows storm water runoff and should be diverted to either the ditch out front or the pond behind it. So that no water runoff from the building should run down onto the neighbor's property.

Public Comment –

Andrew Macko – 9726 Eureka Road, Edinboro, commented that this would not be any problem at all.

With no further input from the public, motion by Robert Simonelli, to close the hearing at 6:54pm. James Sachar seconded

Respectfully submitted,

Ramona Junkins, Secretary
